BICYCLE REPAIR STATION

KLING

# BICYCLE REPAIR STATION KANGU

The **KANGU** series includes: **self-service bicycle repair stations**, **bicycle washing stations**, a bicycle stand and a bicycle pump. The KANGU repair station is designed for **quick bike repairs** and **adjustments** of bicycles by the cyclist. The station includes a **tool kit**, a **pump** or a **set of brushes** and a **washer**. It can be personalised by cutting a logo or trademark in the station body. The Kangu can be made of galvanised and powder-coated carbon steel, including stainless steel tools or - optionally - entirely of stainless steel.

**22 TOOLS MADE OF STAINLESS STEEL**

**STURDY, ANTI-CORROSION CONSTRUCTION**
