

OPTIONS

Construction:

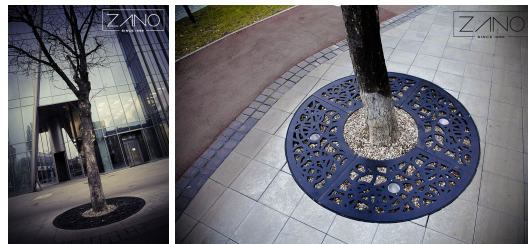

- carbon steel (s235Jr)

Grille size:

- Ø120
- Ø150
- Ø180
- Ø200

DESCRIPTION

The 11.062 series is a traditionally styled round tree grille which can be specified in a range of sizes. It is manufactured from cast iron, which is extremely durable and has a high resistance to corrosion. What is more, it is also a one hundred percent recyclable material. Tree grilles are very important elements of the city furniture. They allow for irrigation whilst protecting the roots. Presented Acero 11.062 tree grille is available painted* in any of RAL palette standard colours. Attractive as well as functional, grilles have an important role to play in city surroundings.
