DESCRIPTION

Presented Koral 12.001 bollard chain is a perfect complement to decorative bollards for ultimate architectural or landscape highlighting. Bollard chains of this project are used in conjunction with chain eyes. It is a quick and grand way to create an elegant fencing. Those chains can be powder coated to match bollards colour of choice. Thanks to it we can form an effective urban barrier. Koral cast iron chains are durable and long-lasting. They are much better than bollards made out of most other materials.
