- stainless steel (Aisi 304)

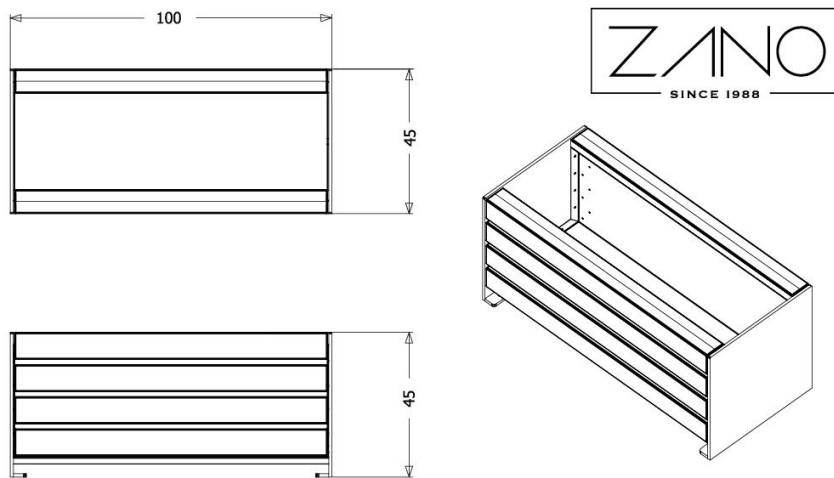

Casing:

- soft wood
- hardwood of European origin
- hard wood (oil finish)
- premium hard wood
- HPL

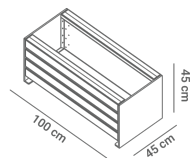

DESCRIPTION

The Simple pot line is a set of four pots ranging in size from S to XL. Simple is a simple double-sided form that impresses with wood or steel, depending on the setting. The Simple model will work well in modern urban spaces as a single element or as a set. The smooth surfaces of the steel meet the simple but distinct planking. Simple is an example of an ideal combination of materials with different textures, the combination of which results in a perfect solid. The variety of materials and the colours of wood or steel offer many possibilities. The steel construction is very stable and does not require any additional protection, but it can be permanently fixed to the ground.
