DESCRIPTION

Altus 03.052 litter bin is a fantastic investment for a school playground, community center, park playground or other city areas. It is attractive, **stainless steel** and black powder coated litter bin with galvanized container. It is also easy to maintain. That is the reason why Altus litter bins are ideal for street locations - both for suburban shopping strips and factories, hotels, motels or alleys. Presented model is made of **stainless steel**, which makes it immensely strong, corrosion resistant and give it a stunning appearance. This **stainless steel litter bin** is available in all **RAL palette standard colours**. It can be used as a **free-standing model** or it can be concreted to the ground.
