

OPTIONS

Construction:

- carbon steel (s235Jr)
- stainless steel (Aisi 304)

Casing:

- soft wood
- hardwood of European origin
- hard wood (oil finish)
- premium hard wood
- HPL

Methods of installation:

- attached by bolts to foundation

Container:

- galvanized steel container

DESCRIPTION

Pavo is a modern galvanised steel and timber litter bin. Thanks to those materials Pavo is durable, maintenance free and long-life product. Stainless steel part is in the front and wooden part is on the back. The front side is made of wooden slats which are very aesthetic. Pavo is a stylish and durable model. This bin is ideal for modern areas such as: streets, railway stations, shopping centres and industrial estates, which require harmonising designs that are long-lasting and robust. Presented litter bin is a free-standing model. It's an excellent example of modern design street furniture.

GENERAL TECHNICAL DATA
