- stainless steel (Aisi 304)

Seat:

- soft wood
- hardwood of European origin
- hard wood (oil finish)
- premium hard wood

Methods of installation:

- attached by bolts to foundation

DESCRIPTION

Orbit 02.450.2 Bench is a novelty in our catalog. Its main advantage is **the modularity**, which gives the possibility to combine different elements in various compositions suitable for the character of each modern space. The bench is made of wood and steel - type of wood (domestic or exotic, like sapeli and iroko) depends on our client's vision. We offer both the highest quality **stainless steel** and **black steel**, which can be painted in any RAL color. Remarkable design of our bench gives Orbit not only beautiful appearance, but also functionality. The full set consists of two modules - right one, which you can see above and the left one ([02.450.1](#)). Orbit 02.450.2 Bench fits both open spaces and modern interiors. It can be set as a free-standing model, but also attached to the ground with anchors.
