DESCRIPTION

The Amicus chair is our next product combining all the best features of the Amicus street furniture series.

Unique design makes it perfect **not only for urban space and squares but also for green areas, such as parks and gardens**. The idea of Amicus series is consistent which allows creating combinations with Amicus chair and Amicus table in variety of colors and styles.

The construction is based on steel profiles and the seating is available in two variants: stainless steel and carbon steel (galvanized, powder coated with [selected RAL color](#)). The wooden slab is made of European wood (spruce or pine) or exotic wood (iroko or sapeli).
