- to be grouted in

Ears for chain attachment:

- no
- attachment of 1 chain (both sides)
- attachment of 1 chain (end)
- attachment of 2 chains (both sides)
- attachment of 2 chains (final)

Fence mounts:

- one-sided
- double-sided
- no

DESCRIPTION

The Castello 01.060 post is a sophisticated, traditional post crafted from black steel, adorned with cast iron detailing. This model is available in three variations: without chain holders, with two chain holders, and with four chain holders. Installation involves embedding the post in concrete, which secures the structure against being pulled up and protects against vandalism. This post is utilized for dividing greenways, pedestrian paths, as well as outlining parking areas. Its classic ornamentation makes it an ideal match for the visual character of historic city environments.

GENERAL TECHNICAL DATA

Dimensions:

- height from ground surface: 39 1/4 in
- height with anchor section: 51 1/4 in

Materials:

- cast iron
- steel tube: 76 mm
