

OPTIONS

Construction:

- carbon steel (s235Jr)
- stainless steel (Aisi 304)

Seat:

- European coniferous wood
- hardwood of European origin
- oiled exotic wood
- premium exotic wood

Mounting method:

- free-standing
- to screw

DESCRIPTION

Soft armchair is a single-seat **armchair with armrests, lacking a backrest**. It's anchored with wall plugs onto a solid surface like stone or concrete. This design caters to the needs of furniture ideal for **senior citizens**. A flat seat paired with tall armrests simplifies the actions of sitting down and standing up for the elderly or those with mobility challenges. This chair comes in various colors and materials. The more economical model is constructed from carbon steel, galvanized and powder-coated in any RAL color, while the seating surface is crafted from varnished spruce or pine. The premium version features a stainless-steel frame and your choice of exotic woods like sapeli, iroko, or meranti, finished with oil. This blend of materials not only offers an upscale look but also enhances the durability of the chair, boosting its resistance to external elements. The use of stainless steel and exotic woods ensures the chair maintains its pristine condition for an extended period. Additionally, its upkeep and cleaning are more...

GENERAL TECHNICAL DATA
