- to screw

DESCRIPTION

The Gravis model is sure to impress fans of outstanding design and vibrant finishes. The bench offers a variety of color options and resembles a colorful Lego structure. It features several robust planks made from either standard high-grade or exotic wood for seating. Additionally, the design includes two legs, crafted from either concrete, black steel, or stainless steel. The wide selection of materials is matched by an extensive range of color options. Available in any RAL color or basic shades like blue, green, white, yellow, and red, the Gravis model truly shines.
