- stainless steel (Aisi 304)

Housing:

- European coniferous wood
- hardwood of European origin
- oiled exotic wood
- premium exotic wood

Mounting method:

- to screw

Contribution:

- galvanized sheet insert

DESCRIPTION

The Argo Trashcan is a standout piece in ZANO's contemporary lineup. It features a sleek and unique design. The structure of the Argo bin is crafted from top-grade steel. Customers can choose between structural steel or stainless steel. For continual outdoor exposure, stainless steel is recommended to guard against mechanical wear and corrosion damage. The aesthetic appeal of the Argo bin lies in the classic mix of steel and wood. The side panels, adorned with slats made from either domestic or exotic wood, lend a modern flair to the design. For added practicality, an ashtray can be attached to the model. The Argo bin will undoubtedly serve as a stylish addition to any city environment.
