- HPL board

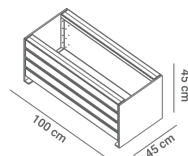

DESCRIPTION

The Simple pot line is a set of four pots ranging in size from S to XL. Simple is a simple double-sided form, which, depending on the setting, impresses with wood or steel. The Simple model will work well in modern urban spaces as a single piece or a set. The smooth surfaces of the steel meet the simple but distinct planking. Simple is an example of the ideal combination of materials with different textures, the combination of which gives the perfect solid. The variety of materials and the colors of wood or steel create many possibilities. The steel structure is very stable and does not require additional protection, but there is the possibility of permanently mounting it to the ground.
