DESCRIPTION

The Simple trash can, as the name implies, features a straightforward, basic design.

This model has an open container, making it ideal for indoor environments.

The trash can is available in two styles: - **Fully constructed from stainless steel** - **Made from painted carbon steel with a stainless steel container**

There is a removable liner made from galvanized steel inside the container, simplifying the process of changing out trash bags.

With its sleek, minimalist design, this trash can seamlessly integrates into the decor of modern public spaces.
