

OPTIONS

Construction:

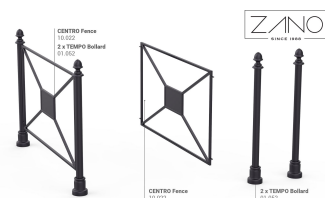

- carbon steel (s235Jr)

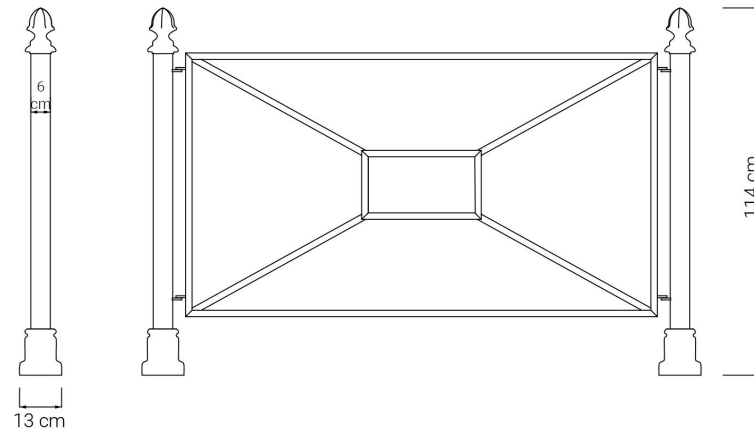

Mounting method:

- to the post

DESCRIPTION

A traditional fence, constructed from black steel and secured to posts using steel clamps. The Centro 10.022 model, also crafted from black steel, pairs perfectly with decorative iron posts. This model is part of the retro series, noted for its simplicity and classic appeal, making it a great choice for enclosing both public parks and private properties.
