

OPTIONS

Construction:

- carbon steel (s235Jr)

Mounting method:

- to be grouted in

Number of parking spaces:

- spaces for 3 bicycles
- space for 4 bicycles
- spaces for 5 bicycles
- space for 6 bicycles
- space for 7 bicycles

DESCRIPTION

Another model from the Retro series that complements and elevates historical urban architecture. It stands out with its unique design and elaborate details. Beyond its aesthetic appeal, which is crucial for street furniture, functionality is a clear benefit of the Classic 05.056 model. Its specialized design enables secure, upright bike parking. The Classic configuration is notably spacious, accommodating three to seven bicycles. This rack is constructed from black steel, cast iron, and steel pipes. The entire unit can be painted in any RAL color.
