Construction:

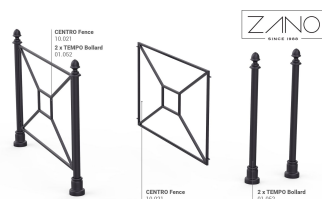

- carbon steel (s235Jr)

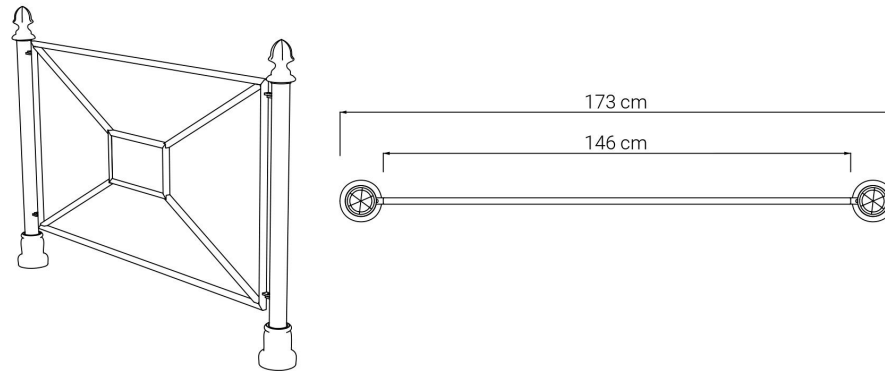

Mounting method:

- to the post

DESCRIPTION

A model closely resembling the Centro 10.022, but with a streamlined design that leaves one of the sections unfilled. This barrier is crafted from black steel and is secured to its posts using steel clamps. Similar to the 10.022 model, it's part of the retro series and pairs well with decorative cast iron posts adorned with various ornaments.
