DESCRIPTION

The Simple pot line offers four pots, from size S to XL. Simple boasts a clean, double-sided design that stands out, whether in wood or steel. Suitable for contemporary city environments, the Simple can be placed as a standalone feature or grouped. Its sleek steel surfaces are complemented by straightforward, evident wooden slats. Simple showcases an ideal material mix, blending different textures to form a perfectly solid structure. The array of materials and color choices for wood or steel allows for plenty of customization. The steel framework is exceptionally stable and doesn't need extra reinforcement, but it can be permanently anchored to the ground if desired.
