Mounting method:

- to screw

Contribution:

- uncontributed
- 120L cartridge

DESCRIPTION

This trash can is engineered to accommodate a standard 120 L plastic wheeled bin - the bin is inserted from the side by the user.

The Salver 03.068 model is a contemporary trash receptacle designed for food courts, typically found in malls and commercial complexes. It features a dedicated upper compartment for neatly organizing food trays to enhance waste sorting efficiency. Additionally, it includes specialized side guards to prevent trays from sliding off or toppling. The Salver receptacle is crafted from premium materials: stainless steel (available in standard or black) and wood (choose from local or exotic options). Furthermore, customers have...
