

OPTIONS

Construction:

- carbon steel (s235Jr)
- stainless steel (Aisi 304)

Mounting method:

- to screw

Contribution:

- galvanized sheet insert

DESCRIPTION

Recycling trash can 15.548.1 features a curved construction made of carbon steel or stainless steel. Accessible from the top, it includes internal compartments. Upon request, customization is available - the black steel version can be powder coated in any hue from the RAL spectrum, with options for cut out, adhered, or etched lettering on stainless steel models. Installation of the bin is via screw-in method. This bin showcases a sleek, contemporary design, available in both single and multi-compartment configurations, with options to include a canopy or not.

GENERAL TECHNICAL DATA
