DESCRIPTION

The contemporary Domino picnic table seamlessly integrates with other items from the Domino lineup. Its design, which incorporates both steel and wood elements, blends the sleek aesthetic of modern architecture with the classic functionality of a picnic table. The circular design comfortably accommodates 9 individuals, and it features a central opening on top for umbrella placement. The Domino picnic table comes in various models. For manufacturing, we can utilize black steel (coatable in any RAL color) or stainless steel, while the wooden parts can be crafted from either local or exotic woods. This table can either stand alone or be securely anchored to the ground with expansion bolts.
