- carbon steel (s235Jr)
- stainless steel (Aisi 304)

Housing:

- European coniferous wood
- hardwood of European origin
- oiled exotic wood
- premium exotic wood

Mounting method:

- to be grouted in

Contribution:

- galvanized sheet insert

DESCRIPTION

The Onis 03.058 is a traditional square trash can mounted on a post, crafted from stainless steel. Its primary metal frame is adorned with wooden slats. It features a slide-out liner made from galvanized sheet metal, with an option to use trash bags. The Onis model is installed by embedding its base into concrete foundations. This particular model exemplifies the enduring classics of urban street furniture.
