- to be grouted in
- to screw

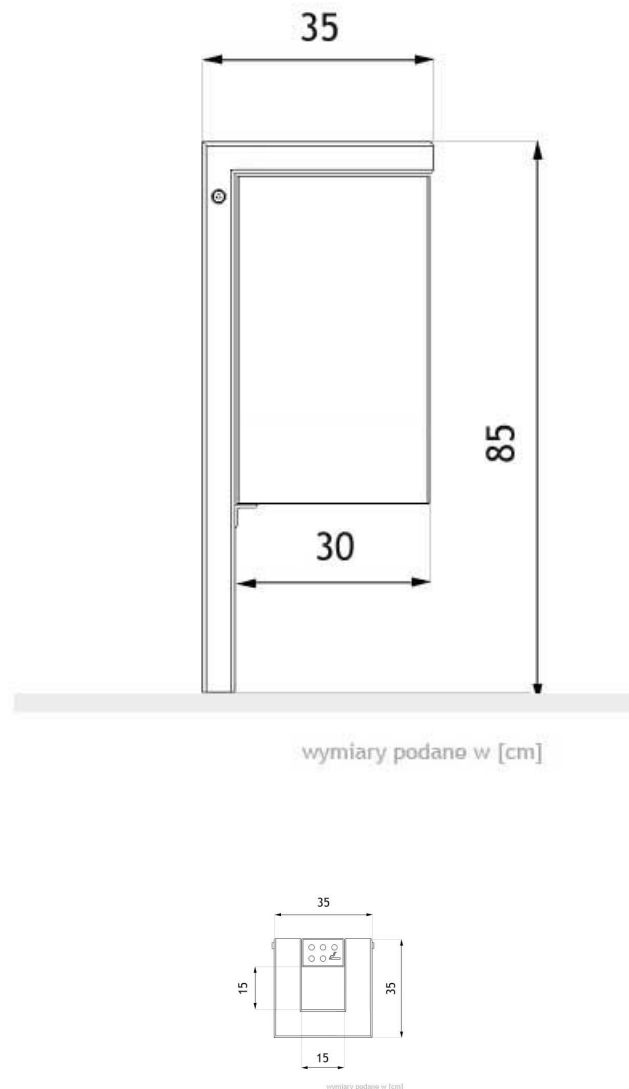

Ashtray:

- with an ashtray

DESCRIPTION

The Cubus is a sleek, modern style trash can supported by dual posts, blending seamlessly into contemporary public areas. Its modernist aesthetics enhance its surroundings while functioning practically. Crafted from stainless steel, it withstands weathering and corrosion effectively. The Cubus features a user-friendly mechanism to simplify trash removal. It includes a secure lock to prevent unauthorized access. Durable and visually appealing, the Cubus trash can is well-suited for any urban environment. This model comes in two variants: - fully constructed from stainless steel - crafted from carbon steel with a stainless steel bin
