DESCRIPTION

The Amicus urban armchair exemplifies the fusion of top features from the [Amicus urban furniture collection](#). Its unique design makes the Amicus perfect for settings ranging from city squares and plazas to the natural environments of parks and gardens. The inventive concept behind the [Amicus](#) series allows for pairing an armchair [with a table from the Amicus line](#), offering the chance to craft fashionable seating areas in various color options.

The framework is constructed from steel profiles. The armchair comes in a choice of stainless steel or black galvanized steel, which can be painted in any shade from the [RAL color chart](#). The seating surface is crafted from locally sourced or exotic wood.
