Contribution:

- galvanized sheet insert

DESCRIPTION

The Pavo 15.563.2 five-chamber basket features a welded frame combined with wooden slats. Available steel options include carbon steel that is both galvanized and powder coated according to the RAL color chart, or entirely in polished stainless steel. The basket's body is constructed from European softwood planks that have been double-impregnated and varnished, or exotic wood that has been double-impregnated and oiled. This basket includes a galvanized steel liner and an integrated ashtray.
