DESCRIPTION

Tubus is a versatile trash can designed for both outdoor and indoor environments. Its unique design blends seamlessly with the aesthetics of contemporary urban settings. Featuring sleek decorative steel bars and satin-finish steel, it presents a stylish and sophisticated look. The bin is available in either black steel or stainless steel. Choosing stainless steel is particularly advised for outdoor settings due to its durability against mechanical wear and corrosion, eliminating the need for extra upkeep. Trash is removed from the Tubus can by unlocking and lifting the top lid. Optionally, an ashtray can be attached upon request. The Tubus model highlights the modernity and functionality of urban street furniture.
