Construction:

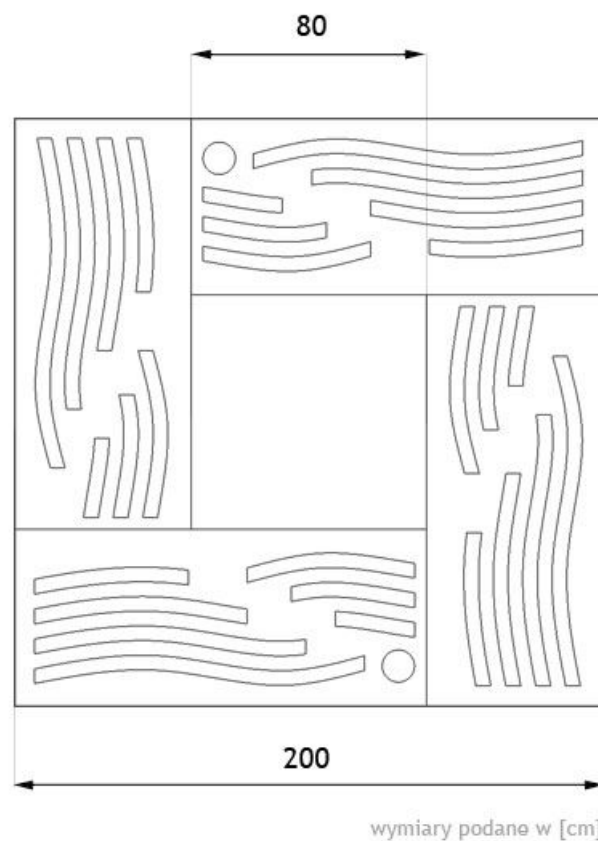

- carbon steel (s235Jr)

Grid size:

- Ø120
- Ø150
- Ø180
- Ø200

DESCRIPTION

Another timeless tree trellis from our well-loved product series marked with the number 11 on the front. This piece remains part of our vintage collection and exemplifies traditional design, making it perfect for park settings and historic areas. The trellis maintains standard dimensions of 200 by 200 cm, though the opening for the trunk has been expanded to 82 cm. Constructed from black steel, the trellis can be painted in any RAL shade or comes in black galvanized steel.
