DESCRIPTION

The Scandik bench is a contemporary urban bench that draws inspiration from Scandinavian minimalistic architecture. Its design is meticulous down to the smallest detail. Featuring a plain, minimalist frame embellished with gentle curves and chamfers, it seamlessly integrates into modern architectural settings such as parks, streets, playgrounds, esplanades, boardwalks, malls, office complexes, or train stations.

Model 02.046.P is outfitted with a backrest and a seat constructed from perforated steel.
