DESCRIPTION

Sleek, long-lasting message boards featuring subtle curves. Offered in four versatile sizes for printing/etching spaces. Print size options include standard A4, B2, and B1. These boards come in **four dimensions**, ranging from S to XL. The S and M boards suit brief, precise information perfect for use as directional signage. The L and XL boards are ideal for displaying more detailed information such as maps for tourist trails, urban areas, airports, and train stations.

Constructed from steel, these boards are built to withstand the elements and provide long-term durability. Customers can choose between stainless steel or carbon steel, which is galvanized and powder-coated in any RAL color they specify.

The boards are anchored securely into concrete bases using screws.
