DESCRIPTION

The Szczepanski Bench is a tailored piece of urban furniture created specifically for Krakow to rejuvenate Szczepanski Square. This design embodies a unique style inspired by Art Nouveau and oriental designs. The Szczepanski bench acts as a powerful enhancement to spaces with its innovative layouts. It blends exquisitely with lush greenery and other features from the Szczepanska collection. This bench is crafted from structural steel and premium woods like pine, spruce, or exotic types. The entire piece can be finished in any shade from our RAL palette. The Szczepanski bench can be anchored to the ground with wall plugs or used as a standalone model.
