DESCRIPTION

Ting 01.084 is a sleek post model from our modern collection, perfect for contemporary urban structures. Crafted from black steel, this post features a square shape and a cast iron finish. It employs an 80-millimeter steel profile as the primary structure and stands at a height of 95 centimeters. It's anchored with a concrete base. Like all our black steel products, it can be customized in any hue from the RAL color chart. Ting 01.084 boasts a contemporary design and an appealing price point. It's ideal for use as a boundary or parking post, particularly around modern building complexes or shopping malls.
